WEDNESDAY, SEPT 13, 2023 | 3:00 PM - 4:30 PM, EST

**REGISTER!**

## JOIN US FOR THE 3RD ANNUAL STATEWIDE OVERDOSE AWARENESS DAY VIRTUAL EVENT!

**Honoring Lives, Reducing Stigma, and Creating Change in New York State**

We invite you to be part of a powerful gathering as we come together for the third annual Statewide Overdose Awareness Day virtual event on September 13. This event holds special significance as we honor the lives of individuals lost to overdose and recognize the incredible efforts of people, providers, and programs working tirelessly to reduce stigma and overdose rates in New York State.

### WHAT TO EXPECT:

**Cecilia Gentili (she/her) Emcee**  
Her passion, dedication, and energy make her the perfect guide for this statewide virtual event.

Let's stand together in solidarity and strive for a brighter and healthier future.

Register today and be part of the change we wish to see in New York State.

The event will be co-facilitated by **Erica Poellot** and the **Faith in Harm Reduction team**. Their goal is to produce community driven positive change by centering the leadership of people with lived and living experiences. The team offers support and understanding to make a difference and work towards a healthier and more compassionate New York State.

**Erica Poellot (she/her)**  
Founder of Faith and Harm Reduction

*Don't miss this opportunity to be part of a community driven event that seeks to bring about positive change, offer support, and promote understanding.*

- **Inspirational Speakers:** Prepare to be moved, motivated to gain insights, through personal stories that highlight the importance of working to prevent overdose and supporting those affected.
- **Healing Moments:** Join the collective heartfelt moments of reflection and remembrance, as the Faith and Harm Reduction Community team pay tribute to those we have lost to overdose. Together, join us to gain strength in unity and support.

- **Insights from Lived Experience:** Hear from individuals whose personal stories statewide will shed light on the challenges they've overcome and the hope they hold for the future.
- **Accessibility Matters:** We want everyone to be part of this important event. That's why we are providing American Sign Language (ASL) and Spanish interpreter services, ensuring that language is never a barrier.
